ESCALATION CLAUSES**** Gorgeous
4-Bedroom Colonial with 2 car attached
garage on a Private Cul-de-Sac Backing to
Trees

Nestled at the end of a quiet cul-de-sac in one
of Glen Arm's most sought-after
communities, this stunning 4-bedroom,
4.5-bath colonial offers three beautifully
finished levels totaling approximately 3,800
square feet and a private backyard oasis with
a heated saltwater pool.

A covered front porch welcomes you into a
spacious ceramic tile foyer with coat closet
and updated powder room. To one side, an
extended living room with dual access and a
cozy center fireplace; to the other, a sun-filled
family room leading to the updated gourmet
eat-in kitchen—complete with granite
countertops, white 42-inch cabinetry, stainless
steel appliances, recessed lighting,
under-cabinet lighting, marble backsplash,
double-door pantry, and sliders to the upper
rear deck. The main level also features
hardwood flooring throughout, a formal dining
room with crown and chair rail molding plus
wainscoting, and an oversized first-floor
laundry room.

Upstairs, the expansive primary suite addition
showcases a luxurious en suite with dual
vanities, jetted soaking tub, walk-in closet, and

an oversized glass-enclosed shower with built-in bench and dual shower heads. A second bedroom also enjoys a private en suite, while two additional bedrooms share an updated hall bath with dual vanity and tiled shower surround.

The walk-out lower level offers incredible versatility with a bright rec room featuring luxury vinyl plank flooring, recessed lighting, and a granite-topped wet bar with glass-panel, backlit cabinetry; an office nook; an updated full bath; a sauna (as-is); a spacious utility/storage room with whole-house reverse osmosis system; and direct access to the covered lower deck.

Step outside to your own private retreat—two decks, a storage shed, expansive pool deck, and a heated, concrete saltwater pool framed by a stone retaining wall and serene wooded backdrop. All just moments from Loch Raven Reservoir, parks, and commuter routes.
